Request for Quotation (RFQ) – Tandberg equipment

Issue date: 11/30/09

Quotation due date: 12/7/09

Electronic submission to: fshiekh@dinecollege.edu

Preliminary Award date: 12/09/09 (will be confirmed after Board of Regents

Approval expected 21 December 2009)

This is a Request for Quotes for the purchase of ITV equipment for the Diné College campus sites at Tsaile, Shiprock, Crownpoint, Kayenta, and Window Rock. The systems will consist of High Definition H.323 compatible equipment by Tandberg as specified below, in compliance with recently established IT standards on Distance Education ITV systems. The equipment complements the existing H.323 Tandberg systems, Codian MCU, and Tandberg TMS already installed in the summer/fall of 2009. When the project is complete, there will be a total of two originating/receiving sites at Tsaile, two at Shiprock, and one receiving site at each of the other six locations.

For originating sites, one at Tsaile and two at Shiprock, the system of choice is the High-Definition Tandberg Educator with three 50-inch plasma screens on carts, and instructor touch-panel controls. For the receiving sites at Crownpoint, Kayenta, and Window Rock centers, the equipment will be High-Definition Tandberg Edge 95 with two 50-inch plasma screens on carts. All sites will be equipped with ceiling mounted audio-sciences microphones to ensure full coverage of the room.

Quote each item separately. Unit price should be shown. If unable to furnish item as specified submit a complete justification of substitute offered. No substitutions allowed on the CODEC models.
