<Robert>

Yes.

My name is Tristan and I teach at BYU and my specialities are understanding how culture affects the ways that we make decisions and manage organizations. National culture I mean and also honing worker participation and also in development in other countries so I worked in Korea for seventeen years in Japan, Indonesia, Thailand and South Africa and Vietnam.

Good Morning. I'm real happy to be here. Thank you for inviting me to come. My name is Gary Bryner. I work with Moroni on policies.
