

## The advantages of starting your college experience with Dine' College:

- ◆ Dine College is accredited by the Higher Learning Commission.
- ◆ Classroom interactive learning is set at a manageable number where instructors respond to student needs.
- ◆ Tuition is \$55 per credit hour and up to \$660 for Full-time enrollment.
- ◆ Tuition is affordable, compared to our local college, NAU is \$651.00 per credit hour.
- ◆ Chinle Center is centrally located for students to attend classes from surrounding areas such as Ganado, Pinon, Many Farms, Round Rock, Rock Point.
- ◆ Classes are offered at day time, evenings and weekends.
- ◆ Students have access to the latest instructional technology, such as ITV, online course delivery, blackboard, hybrid courses, etc..

### Student involvement:

Our Center offers workshops on motivation, stress management, note taking, test anxiety, time management, how to prepare resume and others.

We serve refreshments for students who participate in our events and sharing the outcomes..

Everything is centered around our students.

Hospital Road  
Box 1997  
Chinle, AZ 86503*

**Tel: 928-674-3319**

Dear Prospective Students,

Welcome to Dine' College. Are you thinking about attending Dine' College?

The process is quite simple. Complete and submit the Admission Application and attach your official CIB (Certificate of Indian Blood) and your official High School transcripts and/or College transcripts. Within two weeks after you submit the application along with the required documents indicated above, you will receive a notice from Registrar office, letting you know you have been admitted. You can then, sit down with an advisor to develop a Graduation Checklist and register for the courses you need to complete your two year degree program. If you have never attended other colleges, you will take a placement test and based on your test results, you will be able to register for the appropriate courses to begin your higher education.

In the process, we will help you along the way. We strongly encourage you to do your very best in all courses and to get to know your instructors. Always, stay in good standing so you can continue to receive financial aid. Your financial aid will continue if you maintain good grades. How to ensure you are getting good grades, is taking good notes, studying, getting to know your teachers and utilizing the resources such as Advisors, Tutoring program, etc. We thank you in advance for choosing Dine' College. Please come in anytime if you should have any questions, and/or need help with anything. Our staff's top priority is to serve our students. You come first. Again, thank you and best wishes in your academic endeavors.

Respectfully,

Cathy L. Bahe, Central Regional Director  
M.A. Northern Arizona University
