COURSE AND PROGRAM ASSESSMENTS

GRADING POLICY
You will earn a course grade by compiling points-per-assignment. Each of the assignments is worth a certain number of points as indicated above. You will receive no points for late assignments. Grades will be calculated by dividing points earned by total possible points, which creates a percentage, which translates into a traditional letter grade as follows:

- 100-90% = A
- 89-80% = B
- 79-70% = C
- 69-60% = D
• 59% or less = F

ATTENDANCE POLICY
As teacher candidates, attendance for every class period is important and expected. An absence from class or practicum teaching is granted only in the case of:

• A verifiable illness (a doctor’s statement may be requested).
• Being a patient in a Navajo or other traditional/religious ceremony (again, a medicine-person’s or equivalent’s signed, notarized statement may be requested).
• A death in the immediate family.

All instructors must be contacted individually beforehand to request an absence. Instructors can be contacted in person, by phone, or by email. Do not leave a message with another faculty or staff person.
