2	The administration end should check with students when anything such as certificates or other materials are printed, to make sure all information is accurate! The administration needs to be more professional, respond to emails and resolve issues in a timely manner, and have better interdepartmental communication. Be more transparent about various processes and update the website with proper forms. Ensure that instructors are appropriate in their comments in class. Extend services and outreach/activities to Two-Spirit LGBTQI students and employees. Promote safe zones and anti-bullying at DC for students and employees. Make it a safe inclusive place for all. Offer college courses on Native sexuality. Educate people on our Navajo mixed gender Traditions. Offer more student activities like ceremonies and dances and first aid/cpr/self-defense at the other campuses like Crownpoint and Tuba City, etc.	5/9/2018 5:48 PM

6	Please build a work out facility here at Tuba City. So that I could work on my fitness. Plus if you could include traditional teaching in learning Navajo Language they might help spark interest in the young folk's minds.
