*Dual Credit is a process by which high school students enroll in a Diné College course and receives dual academic credit for the course from both the college and high school. Dual credit course are taught on a Diné College campus or on a High School Campus. This allows a high school student to receive both high school and college credit.*

**Benefits of Dual Credit Enrollment**

- Access to College Resources: Dual Credit students are official college students with access to the full range services offered by Diné College.
- Transferability: Dual Credit courses are fully transferable to the New Mexico and Arizona colleges/universities and other colleges/universities throughout the US.
- Convenience: Courses are taught at the high school campuses or at Diné College campuses depending on the individual high school arrangements.
- Closeness to Home: Students learn what the college professors expect while still in familiar surroundings.
- Low Cost: Taking dual credit courses costs are basically free or substantially less than taking courses at many colleges and universities.
- Student Success: Successful completion of college-level courses helps you to be successful in making the transition to a college campus later. You will have acquired the confidence to succeed academically and personally in college.

**I certify that the above information is true and correct to the best of my knowledge.**
