

# Institute for Tribal Environmental Professionals 2019 Student Summer Internship

---

## **Apply now for an 8-week summer internship.**

Spend your summer working with tribal organizations to address tribal environmental issues. The internships have a **technical, educational** or **policy** focus. We are offering **9 positions in air quality**. The internship program provides each student intern with a stipend, and limited housing and travel allowances. Host sites are selected from tribal environmental organizations, government offices, the US Environmental Protection Agency (USEPA) and others. Descriptions of the host sites can be found on the website at [nau.edu/itepinterns](http://nau.edu/itepinterns) after January 28, 2019.

### **Eligible students must meet the following:**

- US Citizen
- Full-time undergraduate or graduate college student during Spring 2019 (12 hours undergrad, 9 hours grad) at any tribal college, college or university
- Have at least a 2.5 cumulative GPA
- Majoring in an environmental or related field like science, engineering, planning, policy, law, management, political science, anthropology, or health
- Interested in pursuing an environmental career after graduating
- Proficient verbal and written communication skills
- Strong interest in working with Native American tribes or topics

**Please visit [nau.edu/itepinterns](http://nau.edu/itepinterns) for more information.**

**To apply, submit an online application plus additional materials that are described on the website. You can also provide your preferences for the host sites you find interesting.**

**Deadline: February 25, 2019**
