### COURSE DESCRIPTION

This course offers an in-depth look at our base 10 numeration system. It includes a study of number operations, properties of numbers and operations, computation, algorithms, and other numeration systems. Problem-solving is emphasized through-out.

The language of instruction will be 20% Navajo.

# **COURSE OUTCOMES**

The pre-service teacher ...

### Nitsáhákees

- Understands families of instruction (e.g., direct, inquiry, social, personal, SIOP, and different kinds of units) for lesson and unit development Direct lesson plan
- Understands concepts and structures of the disciplines that she or he teaches
- Understands K'é as a system for building relationships with students, families, and colleagues

### Nahat'á

• Integrates K'é into curriculum and instructional practices

### Iiná

• Applies K'é with students, families, and colleagues

## Sih hasin

- Demonstrates self-direction based on concepts of t'áá hó ájít'éego as'ah oodááł dóó t'áá hó ájít'éego hózhóogo oonish
- Values K'é as a system for building relationships with students, families, and colleagues

## InTASC STANDARDS

# **Content Knowledge**

#4 Content Knowledge. The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or her teaches and creates learning experiences that make these aspects of the discipline accessible and meaningful for learners to assure mastery of the content.

# **Professional Responsibility**

#9 Professional Learning and Ethical Practice. The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.

#10 Leadership and Collaboration. The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession.

# **ESSENTIAL QUESTION**

### SUGGESTED TEXTS AND RESOURCES

## **COURSE AND PROGRAM ASSESSMENTS**

### **GRADING POLICY**

You will earn a course grade by compiling points-per-assignment. Each of the assignments is worth a certain number of points as indicated above. You will receive no points for late assignments. Grades will be calculated by dividing points earned by total possible points, which creates a percentage, which translates into a traditional letter grade as follows:

- 100-90% = A
- 89-80% = B
- 79-70% = C
- 69-60% = D
- 59% or less = F

## **SCHEDULE (Optional)**

### ATTENDANCE POLICY

As teacher candidates, attendance for every class period is important and expected. An absence from class or practicum teaching is granted only in the case of:

- A verifiable illness (a doctor's statement may be requested).
- Being a patient in a Navajo or other traditional/religious ceremony (again, a medicineperson's or equivalent's signed, notarized statement may be requested).
- A death in the immediate family.

All instructors must be contacted individually beforehand to request an absence. Instructors can be contacted in person, by phone, or by email. Do not leave a message with another faculty or staff person.

## DISABILITY SUPPORT SERVICES

Diné College is committed to providing college-wide educational support and assistance for students with documented disabilities. Students who have learning disabilities, sensory impairments, psychological disabilities, or physical conditions are encouraged to meet with a Disability Coordinator to discuss resources and reason- able accommodations.

The following services are available: classroom accommodation, testing accommodations, educational coaching and referral for academic support services, career advising, and supportive counseling. Eligibility for services is dependent upon documentation of individual's specific disability.

The Disability Support Services are available at the Tsaile and Shiprock Campuses. Community Campus students seeking accommodations are encouraged to contact one of the two offices: Tsaile (928) 724-6856 or Shiprock (505) 368-3627.

# **ACADEMIC INTEGRITY**

Students are responsible for the integrity of their academic work. Examples of academic dishonesty include but are not limited to, obtaining unauthorized assistance in any academic work: cheating on a test; plagiarism; quoting without proper credit; modifying any examination, paper, record, report or project without the instructor's approval for obtaining additional credit or an improved grade; and, representing the work of others as one's own. Some of the penalties that may be imposed include: warning (written or oral); reducing the grade for the assignment, test, or project; reducing the grade for the course; assigning a failing grade for the course; dismissing the student from the course and issuing a grade of "W"; academic probation or and recording the decision in the student's academic record.
