WELCOME FROM THE ATHLETIC DIRECTOR

Diné College Warriors,

Welcome and Congratulations on joining the Diné College Warriors team!

We are thrilled to have you represent our institution and looking forward to the coming year. At times, this commitment may be very challenging, but it is our hope that this commitment will be an essential part of what makes your entire experience at Diné College worthwhile.

Diné College’s intent is all Student-Athletes place academics as their highest priority. There is no compromise or reduction of your academic work because you are an athlete. We believe you can handle both responsibilities and greatly benefit from the tough workload you are about to endure.

With all the opportunities that come to you as a Student-Athlete, you will also have increased responsibility. Wherever you go, you are now a representative of Diné College and the athletic department. Whether you are on or off the field, your actions reflect upon the college, your teammates, and the coaches.

Diné College is dedicated to molding the character of Student-Athletes and we stress that being able to wear the Diné College uniform is a privilege, not a right. This handbook is intended to give you important and helpful information to help you to succeed as a student-athlete. It should answer any questions you may have. However, my door is always open to any Student-Athlete to hear their questions or concerns.

In general, Student-Athletes who participate in Diné College Sports are expected to compete in intercollegiate athletics under a model that emphasizes integrity and ethical conduct. Each program is an integral part of our overall department, and your total educational experience is our paramount concern.

I wish you luck in the upcoming year both academically and athletically. My hope is that all Student-Athletes will continue our tradition of superior performance in the classroom and in competition.

Shawn Frank,
Athletic Director

ATHLETIC DEPARTMENT POLICIES

To support the Athletic Department’s commitment to excellence in all areas, the following policies represent a guide to our sound participation in intercollegiate athletics:
A. The educational values, practices, and mission of this institution determine the standards by which we conduct our intercollegiate athletics program.

B. The responsibility and authority for the administration of the Athletics Department, including all basic policies, personnel and finances, are vested in the President. The Athletic Director reports to the Vice President of Student Affairs and is in direct control of the day-to-day operations.

C. Each student-athlete (male and female, majority and minority) in all sports will receive equitable and fair treatment. Diné College is an equal opportunity institution.

D. The admission policy for athletes is the same as for any student. Under the “Open Enrollment Policy”, any graduate of an accredited high school or any person who holds a high school equivalency diploma will be accepted as a student.

E. The Financial Aid Office is responsible for administering and coordinating all financial assistance. All awards are made in compliance with institutional, state, and federal guidelines.

F. Continuing eligibility to participate in intercollegiate athletics will be based on the student being able to demonstrate academic eligibility and responsiveness to the standards and expectations of the program as communicated and published in the general catalog.

G. All sports require a pre-season physical for each player before practice or competition. A physician must release each player before practice or games. The Athletic Department will maintain and file medical histories of all injured athletes and keep files for up to three fiscal years.

INSTITUTIONAL POLICIES

The institutional policies found in the “Student Code of Conduct” and the “General Catalog” are the minimum requirements for students attending at Diné College. The Athletic Department recognizes that athletics require more guidelines to insure proper function within the system. Therefore, Student-Athletes must adhere to all policies of the institution and the Athletic Department.

GENERAL INFORMATION

1. Ineligible students shall not be allowed to dress for any competition.
2. Students who falsify their academic and/or athletic participation record shall be ineligible for further competition.
3. The word “term” as used within the Eligibility Rules, refers to semester, as it applies to the official unit of class attendance at a college. Summer sessions shall also be considered as a term of college if the Student-Athlete completes 12 semester hours.
4. A Student-Athlete’s grade-point average will be determined by devising the accumulated quality points by the corresponding credit hours.

INDIVIDUAL STUDENT-ATHLETE RULES

We expect you to avoid all situations that will embarrass yourself, your family, or our college.
1. You are expected to dress neatly and use good personal hygiene. We want you to look sharp, clean, and neat at all times.
2. We expect you to be on time and ATTEND all classes. If there is an unusual circumstance and you cannot attend class, you must notify your Head Coach BEFORE you miss class.

REQUIREMENTS FOR NEW STUDENT-ATHLETES

Students must be high school graduates, have received a high school equivalency diploma or have been certified as having passed the General Education Development Test (GED).

REQUIREMENTS FOR ATHLETIC ELIGIBILITY

The following rules shall be used to determine a student’s eligibility for athletic competition. THIS ENTIRE SECTION MUST BE READ BEFORE A STUDENT’S ELIGIBILITY STATUS CAN BE DETERMINED.

A. Student-Athletes must be making satisfactory progress within an approved Diné College program or course as listed in the General Catalog.
B. Students must be in regular attendance within ten (10) calendar days from the beginning of classes of the term in which the students choose to participate. This ten (10) day rule can apply to the starting date of a mini-session within a regular session and shall be a published date in the General Catalog or schedule of classes for that term. The mini-session must begin prior to the date of the first contest and have a common ending date with the regular term. Students who do not conform to this rule are ineligible throughout the remainder of the term.
C. Students must maintain enrollment in twelve (12) or more credit hours of college work as listed in the general catalog during each term of athletic participation. Students who drop below twelve (12) credit hours become immediately ineligible for athletic participation.

SEMESTER ELIGIBILITY
A. Prior to the last official date to register for the second full-time semester, as published in the General Catalog, a student must have passed twelve (12) semester hours with a 2.00 GPA or higher.

B. Prior to the last official date to register for the third full-time semester, and all subsequent semesters thereafter, as published in the General Catalog, a student must satisfy one of the following two (2) requirements to be eligible for the upcoming term: 1. Pass a minimum of twelve (12) semester hours with a 2.00 GPA or higher during the previous semester of full-time enrollment OR 2. D. Students must be enrolled full-time (twelve or more credits) at Diné College where they have chosen to participate when the regular season schedule of a sport begins. Students not enrolled during the term when the season begins remain ineligible throughout the season schedule unless they enroll on the first possible enrollment date following:
   1. Their release from Active Armed Services of the United States with a discharge other than dishonorable.
   2. Their return from a religious mission.
   3. Their graduation from a high school or receipt of an equivalency diploma.

Students that satisfy one of the four exceptions become eligible after the previous term has ended upon registration as a full time student for the new term. (Students must be added to the eligibility form before participating.)

ELIGIBILITY OF STUDENTS ATHLETES WHO WITHDRAW FROM CLASSES

Student-Athletes anticipating on dropping a course must consult with the Athletic Academic Advisor prior to formally dropping one or more courses. In the event a student drops below full-time status, the student will be declared ineligible and unable to participate in athletic events.

NUMBER OF SEASONS A STUDENT CAN PARTICIPATE

A. Students must not have previously competed during two (2) seasons in a given sport at any intercollegiate level.

B. Participation in any fraction of any regularly scheduled contest during the collegiate year shall constitute one (1) season of participation in that sport. Participation includes entry into an athletic contest and scrimmages and does not include dressing for such an event.

INELIGIBLE STUDENT-ATHLETES

Ineligible athletes are not representatives of Diné College Athletics Department. Therefore, ineligible Student-Athletes are not allowed to travel with the team, miss classes due to sports-related activities, and when applicable not receive the benefits of membership on the team including sport specific equipment and attire.
STUDENT-ATHLETE EXPECTATIONS

As a Student-Athlete at Diné College, you agree to hold yourself to the highest of standards of integrity in the classroom, on campus, during competitions and off campus. All Student-Athletes are in the public eye and must accept the responsibility of representing Diné College at all times. Deviations from the said expectations may result in disciplinary actions at the coaches and/or athletic directors’ discretion.

ATTENDANCE AND CLASS POLICIES

Time away from campus and/or class time missed will be limited to no more than (6) six classes during a semester. Each student-athlete is responsible for contacting instructors to arrange due to absence(s). Student-Athletes are responsible for meeting the attendance policy for all academic courses. It is unacceptable for Student-Athletes to miss classes for sports related activities (Meetings, Training, etc.) during the academic day unless approved by the Athletic Director.

CLASS ATTENDANCE

Students are expected to attend all classes for which they are registered. When absences occur, it is the student’s responsibility to make up the work missed. The instructor decides whether the student will be permitted to make up the missed work. The Athletic Department feels that the regular class attendance is vital for all student-athletes. The department recognizes that sometimes athletic events require student-athletes to miss class; therefore, no student-athlete should miss a class session without prior approval from the Head Coach and/or the instructor.

CLASS SCHEDULES AND DROP/ADD

It is the responsibility of the Head Coach to monitor the student-athletes’ selection of courses. This will ensure that the student-athlete is taking courses that will apply to their program of study. It is the student-athlete’s responsibility to notify the Head Coach and the Athletic Director of any change in his/her class schedule. Student-Athletes are not permitted to drop or add a course during the semester without prior approval from the Head Coach or Athletic Director.

STUDENT-ATHLETE ACADEMIC PROGRESS REPORT

The most important goal for a student-athlete at Diné College is to obtain an education. Diné College athletics supports this goal by promoting and enhancing the academic and intellectual goals of its student-athletes. Each Student-Athlete is responsible for his/her academic success. The athletic department has structured a program to check the progress of all student-athletes.

Student-Athlete Progress reports are sent to students on a bi-weekly basis beginning two (2) weeks after instructions begin. Instructors must provide attendance, letter grade, additional progress notes and a signature. If there is an issue in the classroom, the athletics department can
intervene and impose mandatory tutoring and/or seek additional assistance for the student-athlete so that he/she is academically successful.

The submittal of all progress reports in a semester is a criterion for Student-Athletes to be considered for the end-of-the-semester incentive.

**HARASSMENT AND DISCRIMINATION**

All individuals must be allowed to pursue activities at Diné College free from harassment based on color, race, religion, age, national origin, ancestry, disability, sex, marital or parental status, or sexual orientation/gender identity. Responsibility for maintaining a harassment free campus environment rests with all students, and employees of Diné College.

Harassment based on one of the factors listed above is verbal, physical conduct or conduct using technology that is so severe or pervasive that it has the purpose or effect of unreasonably interfering with an individual’s educational participation, or that creates an intimidating, hostile, or offensive educational environment.

All complaints regarding sexual harassment and sexual discrimination must be submitted to the Title IX Coordinator in accordance with the Student Complaint process.

All public and private elementary and secondary school, school districts, colleges and universities that receive any Federal funding must comply with Title IX.

Diné College will respond promptly and effectively to all complaints of sexual discrimination and sexual harassment including sexual violence. All complaints and policy inquiries regarding sexual harassment and sexual discrimination may be submitted to:

Under no circumstances are there to be drugs or alcohol purchased or consumed by the Diné College Student-Athlete at any time while traveling as teams away from Diné College Campus.

Health risks are associated with misuse and abuse of such substances and legal consequences for illegal drug use, can be quite severe and may greatly impact a person’s future.

Student-Athletes are not restricted from using online social network sites and digital platforms. **TRAVEL AND TRANSPORTATION**

The Athletic Department will provide all transportation necessary for athletic teams. This includes travel to regular season games, and local, regional and national tournaments. It is the responsibility of the Head Coach to ensure that all players travel with the team and are under his/her supervision.

If it becomes necessary for a Student-Athlete to travel separately to a competition from the rest of the team, the coach must seek prior permission from the athletic director or his designee. If this is not completed prior to leaving Diné College, then permission is automatically denied. The Student-Athlete, acknowledging a release of liability of the team, the coaching staff, the athletic department and the college, must sign a Student-Athlete Travel Release form.

**PHYSICAL EXAMINATIONS**

All student-athletes participating in any Diné College sports must have passed a physical examination prior to their first competition for each collegiate year in which they compete. It is the Head Coach’s responsibility to see that each student-athlete has a valid physical examination form on file in the Athletic Director’s Office.

No Student-Athlete will be allowed to participate in intercollegiate athletic practice or a physician has signed competition until a signed medical clearance form. This applies to tryouts and both traditional and non-traditional practice sessions.

**INJURIES AND ILLNESS**
If an injury or illness occurs, the student-athlete should notify the Head Coach so the Head Coach can make adjustments for participation and in assisting in the rehabilitation of the Student-Athlete.

**UNIFORMS AND EQUIPMENT**

It is the responsibility of the Head Coach to issue and inventory all items of equipment that are necessary for the Student-Athlete to participate properly in the sport. All issued items remain property of Diné College Athletic Department. Loss or damage to the issued items will be charged to the Student-Athlete. There are certain items that will be regarded as personal items that the Athletic Department will not furnish. The coach will list those items, and it is the responsibility of the Student-Athlete to obtain these items for his/her own use.

A person commits hazing when he or she knowing requires a student or other person at the college to perform any act, on or off college campus, for the purpose of induction, admission, or membership into any group, team, organization, or society associated with or connected to Diné College.

Any Student-Athlete or team that commits to hazing will be subject to the Athletic Department disciplinary measures that could include: ineligibility, suspension for a period of time or indefinitely.

Any person with knowledge of hazing is expected to communicate promptly with the Athletics Director or college security.

The Student-Athlete should first notify the Head Coach and together with the coach try to resolve the matter. If the complaint cannot be satisfactorily resolved, the coach, Student-Athlete, and athletic director, should meet to resolve the problem. In the event that the complaint cannot be settled to the satisfaction of all parties involved, the Athletic Director will request a meeting with the Vice President of Student Affairs.

END OF YEAR SURVEY

After the completion of each season, you will be asked to complete an end-of-season survey that asks about your experience as a Student-Athlete. All of the information you provide in the survey will remain confidential. This survey is used to help the Athletic Department improve the athletics experience for all Diné College Student-Athletes.

The Student-Athlete advisory committee is a committee made up of Student-Athletes assembled to provide insight on the Student-Athlete experience.
