

Summer Research Enhancement Program of Diné College

May 23, 2022 – July 29, 2022

Application deadline *Friday, February 11, 2022*

A 10-week program designed to prepare Native American undergraduate college students for careers in public health and health research.

The program has three stages:

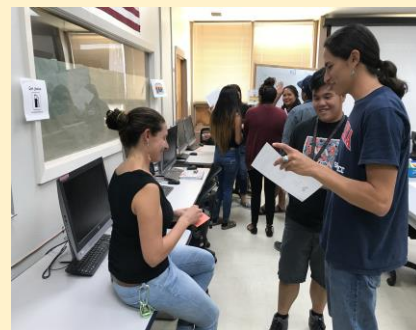

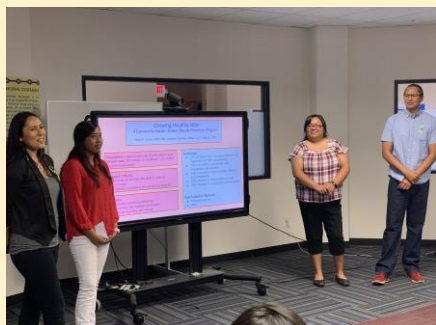

Stage 1 Intensive 3-week training in Public Health Research Methods at Diné College, Tsaile, AZ

Stage 2 Six-week mentored internship in student's home community

Stage 3 One week data analysis workshop and presentation at Diné College

While participating in SREP, students receive the following:

- ❖ \$3,920 stipend (distributed in installments)
- ❖ 7 transferrable college credits hours in Public Health (4 classroom and 3 practicum)
- ❖ Tuition, books and materials for the Public Health courses required for SREP
- ❖ Room and board while at the Diné College Tsaile campus

Applications will be available starting November 29, 2021 at:
