

# Summer Research Enhancement Program of Diné College

May 23, 2022 – July 29, 2022

**Priority application deadline Friday, February 11, 2022**

A 10-week program designed to prepare Native American undergraduate college students for careers in public health and health research.

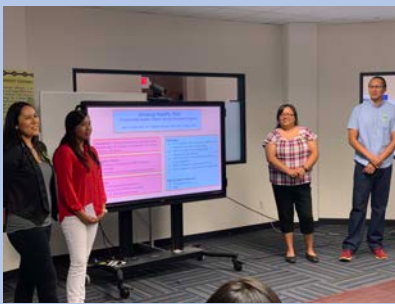

Stage 1 Intensive 3-week training in Public Health Research Methods at Diné College, Tsaile, AZ

Stage 2 Six-week mentored internship in student's home community

Stage 3 One week data analysis workshop and presentation at Diné College

**While participating in SREP, students receive the following:**

- ❖ \$5,760 stipend (distributed in installments)
- ❖ 7 transferrable college credits hours in Public Health (4 classroom and 3 practicum)
- ❖ Tuition, books and materials for the Public Health courses required for SREP
- ❖ Room and board while at the Diné College Tsaile campus
