

2022 Mosaics in Science Diversity Internship Program

The Mosaics in Science Internship Program seeks to engage ethnically and racially diverse young professionals in natural resource careers.

The Mosaics in Science Internship Program is coordinated by the National Park Service and Environment for the Americas. Together, we work to provide unique experiences for diverse youth (ages 18-30, or veterans up to age 35) to work side-by-side with scientists, researchers, and educators.

Deadline to apply:
Jan. 23, 2022 / 11:59 pm your time
