An Equal Opportunity
Employer

WHO MAY APPLY:

- Must be a U.S. Citizen
- Must be 18 years old
- If you are a male born after December 31, 1959 and are at least 18 years of age, civil service employment law (5 U.S.C. 3328) requires that you must be registered with the Selective Service System, unless you meet certain exemptions (proof of registration and/or exemption required). Website: <http://www.sss.gov>.

REQUIRED DOCUMENTS:

- Resume should include days/months/years worked, work schedule, and grade level if federal and should be descriptive enough to qualify and quantify time spent performing task related to the job
- Transcripts will need to be provided if qualifying on education
- DD-214 (Member 4 copy) and/or VA letter required for applicable Veteran preference. Current active duty members must submit a certification that they are expected to be discharged or released from active duty under honorable conditions not later than 120 days after the date the certification is submitted.

HOW TO APPLY: Additional materials not listed above (i.e. position descriptions, training certificates, etc.) may not be considered. Applicants who do not submit the required items listed above may not be considered. Applications with all supporting documents must be submitted to the contact office and must be **RECEIVED** by the **CLOSING DATE** of this announcement.

Interested individuals should send a resume, transcripts, veteran documentation (if applicable), or other supporting documents to the address listed here:

DUTIES:

Responsible for organizing and conducting direct control operations to reduce wildlife damage within a geographical area or technical/subject area of program involvement

Inspects and surveys areas and, as necessary , will revise existing Wildlife Damage Management (WDM) activities in close consultation with higher-level management.

Uses WDM tools/devices which may include some or all of the following depending on need in assigned area: firearms; foothold, body-grip, cage traps; foot snares; neck snares; chemical control methods; pyrotechnics; noise cannons/exploders; drop nets; rocket/cannon nets; various other scaring devices.

Independently determines and selects the most effective means of addressing conflicts for individual situations

Modifies or adapts established WDM techniques as necessary to meet local conditions and address specific environmental, economic, or political considerations

Assists in the negotiation of cooperative service agreements with landowners, lessees, or administrators to accomplish the goals outlined for the WS program.

Enters data into established WDM database/system of record. Uses data to prepare and submit routine reports regarding daily, weekly or monthly activities, observations, and events.

Assists in conducting demonstrations and training for others, including other cooperators or other interested groups, on WDM methods, procedures, and program objectives.

Complies with restrictions and mitigation measures established through consultation with relevant Federal and State agencies.

Carries out duties in accordance with program decisions made in compliance with the National Environmental Policy Act (NEPA), Endangered Species Act (ESA), and departmental and agency directives, laws, and regulations under guidance and oversight by a supervisor.

Performs other duties as required

MINIMUM ELIGIBILITY REQUIREMENTS:

To qualify, applicants **MUST** meet all minimum qualification requirements, except Medical Requirements, by the closing date of the announcement.

QUALIFICATIONS REQUIRED:

For the GS-4 Grade Level:

Applicants must have 6 months of general experience and 6 months of specialized experience (equivalent to the GS-03 level) that may have been obtained in the private or public (local, county, state, Federal) sectors which demonstrates:

- Identifying North American wildlife species
- Experience in the principles of wildlife ecology and management in support of a wildlife management program
- Experience in preparing baits and setting traps in accordance with standard procedures
- Experience keeping routine and basic records of daily activities and observations
- Experience utilizing the use of dogs and hounds for WMD activities

OR

Education Substitution at the GS-4 Grade Level: Successful completion of 2 years of study that included at least 12 semester hours in any combination of courses such as biology, chemistry, statistics, entomology, animal husbandry, botany, physics, agriculture, or mathematics. At least 6 semester hours of courses must be in wildlife.

OR

Combination of Education and Experience at the GS-4 Grade Level:

Applicants may have combinations of successfully completed education and specialized experience to meet total qualification requirements. The total percentages must equal at least 100 percent to qualify for that grade level.

For the GS-5 Grade Level:

Applicants must have one year of specialized experience (equivalent to the GS-4 level) that may have been obtained in the private or public (local, county, state, federal) sectors which demonstrate experience in:

- Experience in wildlife damage mitigation methods and techniques
- Experience using lethal and non-lethal animal control techniques
- Conducting basic computer operations for record keeping, data analysis, report writing and correspondence
- Experience utilizing the use of dogs and hounds for WMD activities

OR

Successful completion of a full 4-year course of study leading to a bachelor's degree with major study, or at least 24 semester hours, in any combination of scientific or technical courses such as biology, chemistry, entomology, animal husbandry, botany, physics, agriculture, or mathematics, with at least 6 semester hours in wildlife.

OR

Combination of Education and Experience at the GS-5 Grade Level:

Applicants may have combinations of successfully completed education and specialized experience to meet total qualification requirements. The total percentages must equal at least 100 percent to qualify for that grade level.

For the GS-6 Grade Level:

Applicants must have one year of specialized experience (equivalent to the GS-5 level) that may have been obtained in the private or public (local, county, state, federal) sectors which demonstrates experience in:

- Experience utilizing the use of dogs and hounds for WMD activities
- Dealing with human-wildlife conflicts and principles of wildlife damage management.
- The requirements of the Migratory Bird Treaty Act (MBTA), Endangered Species Act, and National Environment Policy Act.
- Conducting wildlife damage assessments, counts and abundance surveys.
- The use of firearms, traps, snares, pesticides, immobilizing drugs, pyrotechnics, electronic harassment devices, and other non-lethal control tools.
- Creating/maintaining public contacts to formulate assistance strategies that incorporate technical assistance and operational control techniques.

OR

Successfully completed 1 year of graduate education (18 semester hours) in wildlife.

OR

Combination of Education and Experience at the GS-6 Grade Level:

Applicants may have combinations of successfully completed education and specialized experience to meet total qualification requirements. The total percentages must equal at least 100 percent to qualify for that grade level

HOW YOU WILL BE EVALUATED

Applicants who meet basic minimum qualifications may be referred to the hiring manager for selection. Qualified candidates eligible for veterans' preference will receive referral and selection priority over non-veterans.

OTHER REQUIREMENTS: (if applicable to your position)

- Must obtain or have a valid state driver's license. Operation of Government-owned or leased vehicles is required. (if this applies)
- As a condition of employment, appropriate security clearance is required for this position.
- Position is subject to random and applicant drug testing.
- Must demonstrate a respect for safety in all operations, including the operation of motor vehicles, firearms, control devices, and equipment.
- In order to perform the essential duties of this position, you must have the legal and physical ability to possess and discharge firearms. You must be able to pass a government background check and meet any additional requirements to carry and use firearms. A background check will include answering questions about where you've lived, worked, went to school, and any military history or police records. Selection and retention in this position is contingent on a successfully adjudicated FBI National Criminal History Check (fingerprint check).
- As required by the President's Executive Order 14043, Federal employees are required to be fully vaccinated against COVID-19 regardless of the employee's duty location or work arrangement (e.g., telework, remote work, etc.), subject to such exceptions as required by law. If selected, you will be required to be vaccinated against COVID-19 and submit documentation of proof of vaccination before appointment or onboarding with the agency. Additional information will be provided regarding what information or documentation will be needed and how you can request of the agency a legally required exception from this requirement.

Emergency Response – APHIS is an emergency response agency. This means that all Agency employees may be asked or assigned to participate in rotating temporary duty assignments to support emergency programs at some time during their careers with APHIS. It is difficult to predict the frequency with which such emergency situations may occur – and could range from several emergencies in a year to none over the course of many years. In the event that you are called upon to support an emergency program, this may require irregular working hours, including overtime, and may include duties other than those specified in your official position description. While some emergency program support assignments may be able to be performed at the employee's current duty station, in other cases employees may be asked to go on-site to a temporary duty state location. In addition, it may be necessary for employees to participate in multiple rotations to an emergency program assignment. Attempts will be made to keep disruption to the employee to a minimum.

NOTE: APPLICANTS FOR THIS POSITION WILL BE REQUIRED TO SUBMIT TO URINALYSIS TO SCREEN FOR ILLEGAL DRUG USE PRIOR TO APPOINTMENT. APPOINTMENT TO THE POSITION WILL BE CONTINGENT UPON A NEGATIVE DRUG TEST RESULT. INCUMBENTS OF THIS POSITION WILL BE REQUIRED TO SUBMIT TO URINALYSIS TO SCREEN FOR ILLEGAL DRUG USE ON AN ONGOING BASIS AFTER APPOINTMENT, AS DIRECTED.

Carrying a firearm is a condition of employment – In the passing of the *Lautenberg Amendment*, Congress passed legislation which prohibits anyone who has been convicted of a misdemeanor crime of domestic violence from possessing a firearm or ammunition. If selected you will be required to sign the form, "Inquiry for Positions Requiring Possession of Firearms," certifying that you meet this criteria.

The United States Government does not discriminate in employment on the basis of race, color, religion, sex (including pregnancy and gender identity), national origin, political affiliation, sexual orientation, marital status, disability, genetic information, age, membership in an employee organization, retaliation, parental status, military service, or other non-merit factor.

Reasonable Accommodation Policy-

Federal agencies must provide reasonable accommodation to applicants with disabilities where appropriate. Applicants requiring reasonable accommodation for any part of the application and hiring process should contact the hiring agency directly. Determinations on requests for reasonable accommodation will be made on a Case-by-Case basis.

A reasonable accommodation is any change in the workplace or the way things are customarily done that provides an equal employment opportunity to an individual with a disability. Under the Rehabilitation Act of 1973 the Equal Employment Opportunity Commission (EEOC) must provide reasonable accommodations:

- An applicant with a disability needs an accommodation to have an equal opportunity to apply for a job.
- An employee with a disability needs an accommodation to perform the essential job duties or to gain access to the workplace.
- An employee with a disability needs an accommodation to receive equal access to benefits, such as details, training, and office-sponsored events.

Relocation costs will not be paid for this position.

More than one position may be selected from this announcement.
