VERIZON FORWARD FOR GOOD CHALLENGE

IN PARTNERSHIP WITH
CLINTON GLOBAL INITIATIVE UNIVERSITY

2022

LEARN MORE AT CGIU.ORG/VERIZONCHALLENGE

Apply now to join the **Verizon Forward for Good Challenge in partnership with Clinton Global Initiative University!** Undergraduate and graduate students and CGI U alumni from U.S. institutions are invited to develop leading-edge technology-based solutions—including those leveraging the power of 5G—to advance equity within education, environment and climate change, peace and human rights, poverty alleviation, and public health.

Top teams have a chance to win:

- An exclusive spot in a startup accelerator with **VentureWell** for intensive entrepreneurial training from June - August 2022
- **\$5,000** for seed funding per team and **\$8,500** for living stipends per team member
- Expert mentorship and access to networking opportunities
- Opportunity to pitch project ideas to a panel of experts, including Chelsea Clinton

The Challenge is open to early-stage social entrepreneurs and innovators. We welcome all applicants at all stages of project development and strongly encourage students enrolled at Historically Black Colleges and Universities, Hispanic Serving Institutions, Tribal Colleges and Universities, and community colleges to apply. No prior CGI U participation is required. Apply for the opportunity to compete in the Verizon Forward for Good Challenge by **January 26, 2022**.
