

FIRST YEAR EXPERIENCE PROGRAM

Welcome to Dine' College!

As a participant in the First Year Experience (FYE) Program, you will have an opportunity to meet people within the Dine' College Community to improve communication skills and work experience. The FYE Program is a resource available for first-time freshman and high school concurrent students.

FYE team building opportunities provide students a chance to apply their thoughts, ideas and voice into a plan of action to develop leadership qualities and self-confidence in college. We invite students to participate in advising discussions that implement our Dine' learning philosophy of Sa'ah Naaghai Bik'eh Hozhoon, to prepare for community leadership, interviews and scholarship opportunities.
