General Description of work: Incumbent will work with Federal, State, and local cooperators to implement a nonlethal program in evaluating, documenting, investigating, preventing, and alleviating gray wolf livestock depredation. If selected for this position, the

incumbent will be responsible for navigating rough terrain using horseback, ATV, or UTV to perform official duties. Overnight camping, in a provided sheep camp, will be required throughout the year when livestock depredations occur in remote locations. Incumbent will be responsible for traveling along the western slope area of Colorado in assisting multiple cooperators learn, deploy, and maintain nonlethal techniques including fladry, fox lights, game trail cameras, range riding, etc. Will be responsible for placing, monitoring, and evaluating effectiveness of livestock guardian dogs placed by USDA in state. Strong communication skills, high degree of independence, and familiarity with livestock communities are highly recommended.

DUTIES:

- Evaluates, organizes, and plans installation and rotation of turbo fladry and use of other nonlethal methods (e.g. foxlights, trail cameras, scareboxes).
- Able to navigate narrow logging and mining roads, switchbacks, or livestock trails pulling trailers with a motor vehicle. Trailers may be campers or utility for hauling equipment.
- Able to make independent decisions while working in remote areas.
- Maintains turbo fladry and monitors outcomes/effectiveness of use in harsh weather or remote locations.
- Collaborates and maintains productive relationships with stakeholders, cooperators, and other Federal or State partners.
- Maintains detail notes on nonlethal management activities and provide reports to supervisor for review.
- Physically maintains a human presence with cattle or sheep herds during daytime and nighttime conditions that are experiencing livestock depredation.
- Frequently communicates and works in collaboration with supervisor to provide gray wolf nonlethal management program in state.
- Provide technical assistance to stakeholders and cooperators through a variety of methods including presentations, handouts, public speaking events, media broadcasts, and site visits.
- Carries out duties in accordance with program directives and in compliance with all Federal, State, and local rules and regulations (i.e., National Environmental Policy Act (NEPA), Endangered Species Act (ESA)).
- Safely operates and maintains motor vehicles, firearms, and other sensitive equipment provided as part of official duties.
- Will participate in other wildlife damage management activities during periods where gray wolf livestock depredations are unlikely to occur.

MINIMUM ELIGIBILITY REQUIREMENTS:

To qualify, applicants **MUST** meet all minimum qualification requirements, except Medical Requirements, by the closing date of the announcement.

QUALIFICATIONS REQUIRED:

For the GS-5 Grade Level:

Applicants must have one year of specialized experience (equivalent to the GS-4 level) that may have been obtained in the private or public (local, county, state, federal) sectors which demonstrate experience in:

- Perform wildlife damage mitigation methods and techniques.
- Conduct lethal and non-lethal animal control techniques.
- Conduct basic computer operations for record keeping, data analysis, report writing and correspondence.
- Experience working within local, state, and national rules and regulations as they apply to wildlife policies and procedures
- Experience preparing reports regarding activities, observations, events, and other relevant data collected

OR

Successful completion of a full 4-year course of study leading to a bachelor's degree with major study, or at least 24 semester hours, in any combination of scientific or technical courses such as biology, chemistry, entomology, animal husbandry, botany, physics, agriculture, or mathematics, with at least 6 semester hours in wildlife.

OR

Combination of Education and Experience:

Applicants may have combinations of successfully completed education and specialized experience to meet total qualification requirements. The total percentages must equal at least 100 percent to qualify for that grade level.

For the GS-6 Grade Level:

Applicants must have one year of specialized experience (equivalent to the GS-5 level) that may have been obtained in the private or public (local, county, state, federal) sectors which demonstrates experience in:

- Dealing with human-wildlife conflicts and principles of wildlife damage management.
- Carry out and enforce the requirements of the Migratory Bird Treaty Act (MBTA), Endangered Species Act, and National Environment Policy Act.
- Conducting wildlife damage assessments, counts and abundance surveys.
- Proficient in the use of firearms, traps, snares, pesticides, immobilizing drugs, pyrotechnics, electronic harassment devices, and other non-lethal control tools.
- Create and maintain public contacts to formulate assistance strategies that incorporate technical assistance and operational control techniques.

OR

Successfully completed 1 year of graduate education (18 semester hours) in wildlife.

OR

Combination of Education and Experience:

Applicants may have combinations of successfully completed education and specialized experience to meet total qualification requirements. The total percentages must equal at least 100 percent to qualify for that grade level.

HOW YOU WILL BE EVALUATED

Applicants who meet basic minimum qualifications may be referred to the hiring manager for selection. Qualified candidates eligible for veterans' preference will receive referral and selection priority over non-veterans.

OTHER REQUIREMENTS: (if applicable to your position)

- Must obtain or have a valid state driver's license. Operation of Government-owned or leased vehicles is required. (if this applies)
- As a condition of employment, appropriate security clearance is required for this position.
- Must demonstrate a respect for safety in all operations, including the operation of motor vehicles, firearms, control devices, and equipment.
- In order to perform the essential duties of this position, you must have the legal and physical ability to possess and discharge firearms. You must be able to pass a government background check and meet any additional requirements to carry and use firearms. A background check will include answering questions about where you've lived, worked, went to school, and any military history or police records. Selection and retention in this position is contingent on a successfully adjudicated FBI National Criminal History Check (fingerprint check).
- The work requires moderately strenuous physical exertion. Physical exertion includes lifting moderate weights, walking over wet, rough, uneven, muddy, or rocky surfaces, bending, crouching, and stooping, stretching or similar activities. This work does require average agility and dexterity. The job also requires a flexible schedule, working odd hours, possible weekend work, and must be conducted at the affected site.
- Work is performed primarily in an outdoor environment but does require minimal work in office locations. There is sporadic and irregular exposure to moderate risks and discomfort, such as adverse weather conditions, noisy environments and extensive vehicle travel. The incumbent is expected to conduct all duties in a safe and orderly manner to prevent injury to self, fellow workers, cooperators or property.
- If personnel horses or mules are used for range riding activities, then horse hire will be compensated. Hire compensation is to compensate for food and care of animals.

Emergency Response – APHIS is an emergency response agency. This means that all Agency employees may be asked or assigned to participate in rotating temporary duty assignments to support emergency programs at some time during their careers with APHIS. It is difficult to predict the frequency with which such emergency situations may occur – and could range from several emergencies in a year to none over the course of many years. In the event that you are called upon to support an emergency program, this may require irregular working hours, including overtime, and may include duties other than those specified in your official position

description. While some emergency program support assignments may be able to be performed at the employee's current duty station, in other cases employees may be asked to go on-site to a temporary duty state location. In addition, it may be necessary for employees to participate in multiple rotations to an emergency program assignment. Attempts will be made to keep disruption to the employee to a minimum.

Failure to follow application instructions regarding filing appropriate forms and answering questions may result in loss of employment considerations for this position. **All applications must be signed, dated, and received by the closing date of this announcement.**

NOTE: APPLICANTS FOR THIS POSITION WILL BE REQUIRED TO SUBMIT TO URINALYSIS TO SCREEN FOR ILLEGAL DRUG USE PRIOR TO APPOINTMENT. APPOINTMENT TO THE POSITION WILL BE CONTINGENT UPON A NEGATIVE DRUG TEST RESULT. INCUMBENTS OF THIS POSITION WILL BE REQUIRED TO SUBMIT TO URINALYSIS TO SCREEN FOR ILLEGAL DRUG USE ON AN ONGOING BASIS AFTER APPOINTMENT, AS DIRECTED.

Carrying a firearm is a condition of employment – In the passing of the *Lautenberg Amendment*, Congress passed legislation which prohibits anyone who has been convicted of a misdemeanor crime of domestic violence from possessing a firearm or ammunition. If selected you will be required to sign the form, "Inquiry for Positions Requiring Possession of Firearms," certifying that you meet this criteria.

The United States Government does not discriminate in employment on the basis of race, color, religion, sex (including pregnancy and gender identity), national origin, political affiliation, sexual orientation, marital status, disability, genetic information, age, membership in an employee organization, retaliation, parental status, military service, or other non-merit factor.

Reasonable Accommodation Policy-

Federal agencies must provide reasonable accommodation to applicants with disabilities where appropriate. Applicants requiring reasonable accommodation for any part of the application and hiring process should contact the hiring agency directly. Determinations on requests for reasonable accommodation will be made on a Case-by-Case basis.

A reasonable accommodation is any change in the workplace or the way things are customarily done that provides an equal employment opportunity to an individual with a disability. Under the Rehabilitation Act of 1973 the Equal Employment Opportunity Commission (EEOC) must provide reasonable accommodations:

- An applicant with a disability needs an accommodation to have an equal opportunity to apply for a job.
- An employee with a disability needs an accommodation to perform the essential job duties or to gain access to the workplace.
- An employee with a disability needs an accommodation to receive equal access to benefits, such as details, training, and office-sponsored events.

Relocation costs will not be paid for this position.
