Update to DPAR 1

1. Integrate APR with DPAR 1; DPAR 1 should precede APR by 6 months
2. Add Dr. Ami's culture minor
3. Add MS Bio program
4. Double check w/Provost if there are other new programs
5. Correct mistakes – sunset programs need to be deleted

Don will update the documents and then share with Committee for comments, revisions, approval

Kendra: APRs need to occur per schedule; lots of APRs have not been completed since Covid

Rosalind: APR and assessment are two different things; APRs traditionally realm of Assessment Director

Deleted: in

Don: yes, that is my request to the committee, from the Provost, that we take up the APR schedule to help Provost and Kendra get the APRs back on track.

Bruce: DPAR 1, 2 and APRs need to all be tied together so we know if the program is working properly

Don: Assessment loop should be:

DPAR 2 (annual) -> DPAR 1 (3yr summary/6 semesters of DPAR 2-closes the loop) -> APR (close loop with all components of APR with DPAR1).

Need to ensure DPAR is tied to APR productively (shouldn't use a DPAR 1 that was done 2 years ago)

Bruce: This order makes sense *to faculty* but need to make sure that it will work for Assessment Director.

Rosalind: Dean Blackwater hired as Dean for SBSS and needs to remove himself from faculty leads/positions, which means she will be moving to a different committee.

Next meeting Feb. 29th; we will score assigned rubrics prior to attending meeting.

Meeting adjourned: 12:39
