Assessment

Catalog when changes take effect

COM 121

Move that COM 121 is not currently a general education course but will be considered for future inclusion as part of aligning with AGECE recommendations. Motion Paul 2nd Rhiannon Approved.

Courses that have been passed by students will still be accepted for Gen Ed requirements if they were listed in the core when students took them. Motion Paul 2nd Rhiannon Approved

Old Business:

Develop form for removal of courses from Gen Ed Core?

ANT 112 Physical Anthropology

ECO 111 Introduction to Economics

These courses will be revisited after more information on why they should be removed has been obtained.

Discussion of Reason Mathematically assessment. Is ALEKS appropriate? The ability to look up information (AI) may compromise student learning and assessment of learning. How can this be addressed?
