

OAC Annual Assessment Report 2018

- 1. Introduction/Context & Highlights:** The Office of Assessment and Curriculum in conjunction with the Student Learning Committee conducted the Annual Assessment day on, Thursday, May 17, 2018. The all-day event included the Degree Program Assessment Review (DPAR 1 & 2) for the following 5 programs: AS. Health Occupation; AA. Liberal Arts; AA. Business Administration; AA. Social & Behavioral Science and AA. Education (refer to Excel document for further information)
- 2. DPARs:** includes a Submission, Assessment Analysis and Comprehensive Report. Based on the submission for May the following are outstanding and made it complicated to further the process.

<u>Program</u>	<u>Submission</u>	<u>Assessment Analysis</u>	<u>Comprehensive Report</u>	<u>Pass</u>	<u>Not Passing</u>
AA. Liberal Arts	NA	NA	NA	NA	Na
AA. Bus. Admin.	Submitted	Submitted	NA	NA	NA
AA. Health Occup.	Submitted	Submitted	Submitted	PSLO	
AA. Soc. Behav. Sci.	Submitted	Submitted	NA	PSLOs 2 and 4 met	PSLOs 1, 3, 5 Not met
AA. Education	Submitted	NA	NA	NA	NA

*NA = Not Applicable (not enough information)

- 3. DPAR Analysis:** Below is an analyzed version of the DPAR as scored using the rubric by each SLC member. The rubric included a scale of 1-4; with 4 being the highest score and a column for M (missing).

	AA. Elem. Edu.	AA. Bus. Admin.	AA Liberal Arts	AS Health Occ.	AA. Soc. Beh. Sci.
2017-18					
Area 1	2.1	1.8	1.2	3.8	2.8
Area 2	1.1	0.625	1.2	3.6	1.8
Area 3A	0.75	1	0.25	2.3	2.7
Area 3B	0.0625	0.375	0.125	1.2	1
Area 4	2.1	0.375	0.325	3.5	1.7
Area 5	0.625	0	0.5	3.3	2.7
	1.1229167	0.695833	0.6	2.95	2.11666667
	Average				

- 4. General Education - Submission of Artifacts:** The following courses submitted assessment artifacts Physics 101, Chemistry 130 and Chemistry 152 – *sent directly to the OAC*. Artifacts from the CDTE was given to the Program Coordinator which were uploaded to the S-Drive.

5. **Academic Program Reviews:** Five programs completed their APRs which included the AS. Physics; AAA. Business Management; BA. Elementary Education and BS. Secondary Education (Science & Math) with a final report due by October 2018. The following APR's conducted during the fall 2017 have an outstanding finalized APR report due AS. Biology and BS. Biology.
6. **Curriculum:** syllabi evaluation will continue.
7. **Next Steps:** creating of a streamline process for artifact/deliverable collection with the assistance of the School Program Coordinator and Center Directors/Managers. Continued support from the School Deans for the faculty and adjunct faculty collaboration. Provide trainings and workshops as needed for assessment related items.
