

# TEACHER CERTIFICATION MATH WORKSHOP

PREPARING FOR THE PRAXIS (5017) OR AEPA/NES SUBTEST II?

Join our interactive math workshop designed to help teacher candidates build confidence and strengthen the skills needed for test success.

**This is a free workshop offered in-person or through zoom for students and K-12 teachers.**

**MEETING ID: 917 1578 2236**

## PARTICIPANTS WILL:

- Understand the key mathematics domains tested on the AEPA/Praxis exam
- Practice problem-solving strategies used in elementary classrooms
- Learn instructional strategies for teaching elementary mathematics
- Gain assessment strategies for improving student learning

## Event Details:

**MARCH 21, 2026**

**9:00AM - 4:00PM**

**John Pinto Library**

**Shiprock, NM**

## OUR TRAINER DR. HENRY FOWLER

CO-FOUNDER OF NAVAJO MATH CIRCLES

Dr. Fowler is a leading advocate for math literacy and culturally responsive education. He collaborates with over 80 mathematicians to support K-12 students and teachers across the Navajo Nation. His work focuses on Ethnomathematics, Navajo Education, and using culturally relevant materials to guide instruction.
