HOW THE PROGRAM RUNS

01 COACHES ON THE GROUND

Three head coaches are contracted each semester at \$5,500 and lead both the men's and women's team in their sport, at every practice and competition.

03 GROWN FROM CAMPUS

No recruiting dollars were spent. Most Warriors are enrolled students who step forward at the start of the semester.

02 STIPENDS ARE EARNED

Athletes receive \$1,000 for each semester they complete while keeping eligibility. Sixteen earned it in Fall 2025 and sixteen in Spring 2026.

04 BACKED BY THE COLLEGE

All revenue came from institutional support, plus about \$1,500 in grant funds to replenish recreation and fitness equipment.
